MAYOLY APPOINTS THOMAS BOSMENT AS GENERAL MANAGER, CENTRAL & EASTERN EUROPE

MAYOLY is pleased to announce the appointment of Thomas Bosment as General Manager for the Central & Eastern Europe (CEE) region. In this role, he will be responsible for driving MAYOLY's growth across this strategic region and supporting the Group's ambition to further strengthen its presence in the Consumer Healthcare market.

With 15 years of experience in the fast-moving consumer goods (FMCG) and consumer healthcare sectors, Thomas began his career at Essity before joining Reckitt. He later moved to Sanofi and subsequently Opella, where he held a range of commercial leadership positions across France and Europe. Most recently, he served as General Manager for Romania & Moldova. Throughout his career, Thomas has developed strong expertise in commercial strategy, brand development, commercial excellence, and organizational transformation.

This appointment reflects MAYOLY's commitment to accelerating its international growth by attracting recognized talent in support of its mission: to provide innovative and accessible healthcare solutions for the benefit of patients and healthcare professionals.

"Joining MAYOLY means becoming part of an ambitious entrepreneurial journey. I am excited to leverage my experience to support the development of the CEE region and contribute to the Group's continued growth."

About us

MAYOLY is an independent French pharmaceutical group with an international presence, built over more than a century on recognized expertise in gastroenterology and dermocosmetics. Today, MAYOLY offers a comprehensive portfolio of healthcare solutions in consumer health (digestive health, mental performance, dermocosmetics, food supplements, etc.), as well as prescription medicines and diagnostic solutions.

The Group operates five industrial sites, four of which are located in France, and has globally recognized expertise in the manufacturing of soft capsules and sachets. A key player in consumer healthcare, MAYOLY is present in 21 countries through its subsidiaries, with its products distributed in more than 100 countries worldwide.

Driven by a strong entrepreneurial spirit and a family-owned company culture that places people at the heart of its values, MAYOLY relies on the commitment of its 2,200 employees, who are passionate and proud to contribute every day to improving health and well-being for all.
